JACKSON COUNTY
PARKS & RECREATION DEPARTMENT

Our Youth Nature Craft Program is designed to help kids expand their imagination by creating art with objects in nature, exploring nature through fun activities and games, and encouraging them to play outside!

Each class will focus on a different nature topics and outdoor activities. All activities will be held outside - rain or shine.

Parents will be required to help their child(ren) complete their craft to ensure safety and participation.

Parents will be asked to bring a mask.

Social distancing will be enforced.
